

## A Personal Karmic Journey: Bob Hartt & (chakra clearing Book 7)

I know that there is a good chance that my journey here may seem irrelevant to many, but we all have our own journeys to tell. This is a story, reliving the pains and joys to move to the next level and closer to life's goals. This is not just my story but also my philosophical beliefs that are also helping me move forward. I ask that if you join me, that you keep an open mind. Life is not easy for many of us and we can all learn from each other's trials and tribulations for the same ultimate goal. Liberation!
