

British Monachism: Or, Manners and Customs of the Monks and Nuns of England.

My Lord, The kind and courteous manner in which your Lordship has been pleased to accede to my request for permission to inscribe the Third Edition of my late Father s Work on British Monachism to your Lordship, adds to the many favours akeady conferred upon my family. I feel assured I could do no greater honour to the memory of the A uthor, nor one more congenial to the sentiments of respect which I ever heard him express for your Lordship spub Ucan and private worth, than by the dedication of his favourite Work to so eminent a Scholar and distinguished a Prelate. I have the honour to remain, My Lord, with every respect. Your Lordship smost obliged and humble servant, YATE FOSBROKE.
