

Sri Ramana Maharshi

Ramana Maharshi was a true sage of the people. A thinker and teacher who guided people through all the joys and sorrows of life with profound and gentle wisdom. Living simply in his Spartan ashram in the Arunachala Hills, Ramana Maharshi became the source of enlightenment to anyone who came to him for help. The doors of his ashram were open to everyone and his patience with people was inexhaustible. Leading his followers through personal example, he guided everyone on the path to self-realisation. This is the story of the great Sage of Arunachala, whose words and deeds have become even more relevant and meaningful in today's complex world.
