

# Troubled

Troubled is a true story based on the life of Maranda Evans. After the tragic death of a few loved ones, she struggles to find her purpose in life over a 10-year period. While losing everything, Maranda forgets what she learned as a child. Abuse, love, and scandalous men break her down piece by piece. Will she make it through these struggles and become the woman she always wanted to be, or will her bad decisions ruin her life forever?
