

# Le Petit Nègre (Cakewalk): For Late Intermediate Piano Solo (Simply Classics Solos)

A cakewalk is an African-American dance that began in the 1800s and became popular in minstrel shows at the turn of the 20th century. It features syncopated, ragtime-like music to which a couple struts arm and arm using high steps. Debussy wrote *Le petit Nègre* in 1909 for another composer's elementary piano method. He closely modeled it after his successful *Golliwogs Cakewalk*, the conclusion of his six-movement suite, *Children's Corner*, composed the previous year. This is a Simplified Masterwork Solo.
