

Sketches of Korea: An Illustrated Guide to Korean Culture

How Much Do You Think You Know about Korea? Get a glimpse of the many faces of Korea in illustration form. Kimchi, K-pop, taekwondo, Samsung—the images that most people get when they think of Korea don't stray much beyond the usual ones. But there are so many more fascinating sides to Korea. A cultural anthropologist with over 20 years of personal experience in Korea, author Benjamin Joinau introduces readers to the various faces of Korea outside those that Koreans typically like to present, guided by Elodie Dornand de Rouville's refreshingly original and detailed illustrations of Korean society through the eyes of two foreigners. Grab a copy and let's take a look at the real faces of Korea, past and present.
