

Fringe Florida: Travels among Mud Boggers, Furrries, Ufologists, Nudists, and Other Lovers of Unconventional Lifestyles

Most people visit the Sunshine State for its theme parks and beaches, but there is another side to Florida, an underbelly few tourists ever see, a periphery most residents know about but--out of decorum or discomfort--prefer not to discuss. In Fringe Florida, Lynn Waddell explores the frequently exotic, often sensational, and sometimes illicit worlds of the oddest state in the nation. Waddell takes the reader on a colorful journey to meet the most unconventional of Floridians in unbelievable and spectacular places. At Fetish Con, she befriends furrries and pony girls. She travels to Cassadaga, the oldest active Spiritualist community in the South, where trained mediums converse with the dead, and to the Holy Land Experience theme park in Orlando, where one can eat a hot dog while watching a reenactment of the Crucifixion. She interviews the founder of the Leather & Lace Motorcycle Club, a Daytona Beach-area grandmother who hosts the clubs annual gathering at her subdivision home where scores of lady bikers camp out on her lawn. At an Animal Amnesty Day outside Busch Gardens, Waddell meets exotic reptile owners who give up their beloved-but no-longer-manageable pets and others who vie to take home the cast-offs. If you've ever wanted to parade around on a pimped-out swamp buggy amidst a couple thousand beer-swiggling mud boggers or fall asleep with a python hissing in your ear, been tempted to bring a Capuchin monkey in a stroller to a Little League game, or contemplated sitting on the beach waiting to be picked up by a UFO but couldn't quite bring yourself to such extremes, Fringe Florida is for you.
