

## A Glimpse of Grace

A Glimpse of Grace is the gripping tale of one woman's spiral to life's rock bottom and the amazing account of her journey to triumph. It is a story of dreams and disappointments, of heartache and hope, of tragedy and tenderness, of loss and love. Walk with Mary Forsythe through an innocent childhood in small-town America to a glamorous life in the capital of ritz, through successful business and investment endeavors to a grueling government investigation and a federal indictment that landed her in prison. Join her as she learned to live in the last place she thought she would ever be, as her life was completely re-directed. Discover with her the strength to survive and the grace to overcome. Find, as she did, secrets of victory and treasures in darkness. And realize that the glory of this modern-day miracle is that it can happen to you.
