

Although Witold Gombrowicz's unique, idiosyncratic writings include a three-volume Diary, this voluminous document offers few facts about his early life in Poland before his books were banned there and he went into voluntary exile. Polish Memories—a series of autobiographical sketches Gombrowicz composed for Radio Free Europe during his years in Argentina in the late 1950s—fills the gap in our knowledge. Written in a straightforward way without his famous linguistic inventions, the book presents an engaging account of Gombrowicz's childhood, youth, literary beginnings, and fellow writers in interwar Poland and reveals how these experiences and individuals shaped his seemingly outlandish concepts about the self, culture, art, and society. In addition, the book helps readers understand the numerous autobiographical allusions in his fiction and brings a new level of understanding and appreciation to his life and work.

The Diary Of The Reverend John Mill: Minister Of The Parishes Of Dunrossness, Sandwick And Cunningsburgh In Shetland, 1740-1803, Abigail Adams: First Lady of Faith and Courage (Sowers), Jewish Fairy Tales and Fables, William Faulkner: From Jefferson to the World, Classical Pop - Lady Gaga Fugue & Other Pop Hits Songbook (Hal Leonard Student Piano Library), Rebel Souls: Walt Whitman and Americas First Bohemians (A Merloyd Lawrence Book), With Roots in the Alps: A Memoir of an Unusual Childhood, Pursued by God: The Amazing Life and Lasting Influence of John Calvin, Memphis Stomp Piano Solo (Sheet Music), A FRAGMENT OF LIFE: An autobiography,
