

Keeping It Real Iii: The other side of the veil

The Other Side Of The Veil is testimony, law of responsibility and journey of a woman that struggled with mental illness, addictions, afflictions, sin, and unresolved issues from the past that kept her bound to the same mistakes; But she is able to capture the essence of Gods presence in her life and emerges into and through her 10th season as a restored, recovered, reconciled and refined Woman of God ready to receive the blessings of the Lord with the purity of her praise, worship, devotion and heart.
