Not illustrated. 1834 Excerpt: ...with the liturgy are certainly in a state of important preparation for the labours of the preacher; and their piety often takes a richer and more sober character from that circumstance. On the influence of Methodism upon public morals, and the national welfare, Mr. Watson remarks, Mr. Southey has applied too much of his attention to such subjects not to know that a number of those demoralizing causes were then coming into operation, wThich, with all The History here referred to is that by Doctors Bogue and Bennet. As a literary composition it is alternately flippant and dull; but its distinguishing characteristic is hostility to the established Church, and to the Wesleyan Methodists, whose tenets and character are described with little regard for either truth or charity. An abridged edition of this work has lately been published, by Dr. Bennet, in which some of the sarcasms upon Mr. Wesley and his preachers are expunged; but their views of Christian theology are grossly misrepresented. theirs press into the same course, in the hope of seizing the same prize? Have they learning 1 So had he. Have they prospects in the Church 1 So had he. Have they ambition? So, Mr. Southey tells us, had he. How then is it that he alone, of all the ambitious clergymen we ever heard or read of, was-impelled by it into the course he adopted; and that none beside himself ever thought that field preaching and itinerancy opened the way to a distinction sufficient to allay the ambitious appetite of any conqueror, or any poet V I leave the difficulty to be explained by him who created it. These extracts may serve as a specimem of Mr. Watsons eloquent and argumentative

publication; through the whole of which he has decidedly the advantage over his antagonist; ...
