

Morality for Beautiful Girls

In this third audiobook for The No. 1 Ladies Detective Agency series, the irrepressible Mma Ramotswe faces supreme problems at home and at work. The detective agency is dealing with some of its most puzzling cases: the government official whose sister-in-law is trying to poison his brother; the beauty pageant whose contestants aren't as good as their looks; and the strange young boy, found naked and wild, smelling of a lion.
