

# WE POKED A HOLE IN THE WIND: THE STORY OF TWO OLD CODGERS FULFILLING A DREAM

With three mules, two horses, two set of panniers, and a destination in mind two Old Codgers set out on horseback across parts of four states and three major deserts to fulfill a dream. As Loyal states in the book this was the most challenging thing both physically and mentally, that he has ever dealt with. This book has a way of letting you share the trials and tribulations that Bert and Loyal encountered. The author tells what it was like to travel across country the way folks traveled a hundred and fifty years ago. Anyone who has ever dreamed of sharing such an adventure will enjoy reading this book
