

The Young Pastors Wife, Memoir of Elizabeth Ann Moulton, 1845: Containing Her Biography, Diary, Letters, Etc (Classic Reprint)

Excerpt from The Young Pastors Wife, Memoir of Elizabeth Ann Moulton, 1845: Containing Her Biography, Diary, Letters, EtcThe Biographer presents this brief memoir to the public? with unaffected diffidence. This feeling is produced partly by distrusting his own abilities to prepare the work, and partly by a consciousness that it would become necessary to introduce an outline of the result of his own labors in connection with those of his subject, that the readers of the book might the better understand the extensiveness, as well as the results, of those pious and persevering efforts in which Mrs. M. was so zealously engaged for nineteen years. And it is hoped that the great revivals, in which both were engaged, are so presented, that the biographer will not be considered an egotist, sounding his own trumpet; for nothing could be farther from his design.
